

## How to Use the EM272 B Stand

The package insert shows you how to unfold the Fold-Up Travel Stand for Tablets and e-Readers. Once the Travel Stand is unfolded as in Image #3, fold the top half of the tablet support arm so that it is at a right angle to the bottom half.

Then fold the lower half of the tablet support arm until the tip of the upper half touches the surface on which the Fold-Up Travel Stand is resting. It now looks like this:

Now you have the perfect stand for the EM272B.

To order more of these handy stands, go to Amazon.com and search for “tablet holders and stands.”
